Bite Bee Gone Salve

Formulated to stop the itch, heal the sore and prevent infection from those nasty bites and stings. Not only is this salve great for bug bites I have also used it successfully to soothe eczema and a case of ringworm, it will work great for any type of cut or wound as well.

MAKE AN HERBAL OIL

3 parts plantain
2 parts echinacea root
1 part comfrey
1 part lavender
1 part rosemary
Coconut oil (or extra virgin olive oil)

INGREDIENTS

1 cup herbal oil blend
1 oz beeswax
20 drops Melaleuca
15 drops blue spruce essential oil
10 drops lavender essential oil
10 drops peppermint essential oil

DIRECTIONS

1. *Make an herbal infused oil with the herbs.*
2. *Pour the herbal infused oil into a pan.*
3. *Add an ounce of beeswax per cup of oil and melt over very low heat.*
4. *Remove from heat and cool for a minute or two then add 1 tsp of first aid essential oil.*
5. *Pour into containers until cool and solid, then cap and store in a cool, dry location.*
