Antifungal Powder

Use this powder on fungal infections of all types. You can make a traditional sprinkle, herbal oil, salve, poultice, compress or baths.

INGREDIENTS

- *1/2 cup Redmond clay*
- *1 Tbsp chaparral powder*
- *1 Tbsp black walnut hull powder*
- *1 tsp wormwood powder*
- *1 tsp tea tree essential oil*

.

DIRECTIONS

Combine powders. Add the tea tree essential oil and mix well. Let the mixture dry before storing in an empty spice jar. Sprinkle on feet or other area of concern once or twice daily. Keep stored in a cool, dry location
