Healing Salve

This salve works like an herbal Neosporin, great for cuts, wounds, scrapes, and any type of skin condition. It is antibacterial, antifungal, and anti-inflammatory, making it perfect for fighting infection.

HERBS

- *4 parts lavender flowers*
- *3 parts echinacea root (or Oregon Grape Root or half and half)*
- *3 parts calendula flowers*
- *2 parts plantain*
- *2 parts comfrey*
- *2 parts St. Johns wort*
- *2 parts yarrow*

DIRECTIONS

1. *Make an herbal infused oil with the herbs.*
2. *Pour the herbal infused oil into a pan.*
3. *Add an ounce of beeswax per cup of oil and melt over very low heat.*
4. *Remove from heat and cool for a minute or two then add 1 tsp of first aid essential oil.*
5. *Pour into containers until cool and solid, then cap and store in a cool, dry location.*
