Earthpaste & Powder

INGREDIENTS

- 1 cup Redmond clay
- ¼ cup Xylitol (powdered in a coffee grinder)
- 1 Tablespoon Real salt
- 3 cups distilled water
- 10 drops tea tree essential oil
- Other essential oils for flavoring (mint, wintergreen, cinnamon, citrus, Four Thieves, etc.)

EARTHPASTE

1. Stir the clay, Xylitol and salt in a glass mixing bowl
2. Add the water and stir with a wooden spoon until the clay mixture is incorporated well
3. It may seem runny at first but will continue to thicken to a ketchup like consistency.
4. Add the tea tree oil and stir well
5. Add flavoring essential oils to taste

EARTHPOWDER

To create a powder use the same increments above but do not add the water. Mix together in a blender to fully incorporate the essential oils into the powder.

Directions:
Wet your brush
Dip it in the powder
