# Bathroom Scrub

*Use this scrub to clean bathtubs, sinks and the toilet.*

## INGREDIENTS

- *1 cup baking soda*
- *1/3 cup citric acid*
- *1/3 cup salt*
- *15 drops essential oil such as citrus, pine, lavender, or antibacterial blend*

## DIRECTIONS

*Mix powders together and stir well to incorporate. Add essential oils until well incorporated. Store in an airtight container. You can either put a tablespoon in your container to scoop and sprinkle or put the powder in an old spice jar with a sprinkle top.*
